

A LA CARTE WORKSHEET

***** Please mark the box next to your chosen starter program(s) *****

This is a flexible way to get started with HeartStrings! With the A La Carte option, you choose \$450+ worth of any of our programs by starting with the Premier Collection Starter. This allows you to tailor your display and include some of the newest items in your starter program in addition to the tried-and-true classics. The A La Carte option is excellent for merchants that want a custom mix of products for discerning customers in niche markets.
